

**On June 17, 2009, the head of German Academic Exchange Service – DAAD  
visited Sokhumi State University**

The head of German Academic Exchange Service – DAAD Tbilisi Information Center, Gebhard Roill visited Sokhumi State University. The guest met with the students and academic personnel of the University and gave in-depth information about DAAD scholarship program.

It should be noted that the third course student of the University – Lana Nadareishvili has won the competition for the DAAD scholarship and will continue her studies in one of the Institutions of higher education in Germany.

Competitions for DAAD scholarship are announced every year in September. Interested persons are welcomed to submit applications before October 30.
