

On March 26, 2009, an event dedicated to Abkhazia was held in Sokhumi State University. It was organized by the Cultural Department of the Student Self-Governing Organization.

Administration of Sokhumi University attended the event. The Acting Rector of the Sokhumi State University, Joni Apakidze welcomed participants and guests and noted that the Student Self-Governing Organization plays significant role in University life. Professor Joni Apakidze wished success to organizers of the event and promised his support in future.

Students presented creative works of Georgian poets and writers. The folklore ensemble of the University, directed by Vezden Okujava participated in the event and the students performed amateur theatrical.

It was the first event, conducted by the Student Self-Governing Organization at the Sokhumi State University. Decision has been made to hold this kind of events in future as well.
