

### **The Visit of the Rector of Sokhumi State University to Germany**

During 22-25 of November the Rector of Sokhumi State University, Professor Joni Apakidze visited Germany. He was invited to the University of Konstanz, which is considered to be one of the advanced institutions of higher education in Germany.

The German party prepared a very interesting program, which envisaged meetings of Prof. J. Apakidze both with administration and the representatives of different departments and fields of specialization of Konstanz University. The prospects of future cooperation were set with Deans of following departments: Economics, Private Law, German Studies, East European Studies and History/Archaeology, and also with heads of different institutions, scientific directions and academic personnel.

On November 24, Prof. J. Apakidze delivered a lecture on “Cultural Development of Black Sea Region in the Bronze and Early Iron Ages: Colchian Culture”.
